Foreword

These pages are reflections
of a year . . . pinpoint of time
in eternity . . .
starting block in the race of life
God holding the stopwatch.

Cheri,

To a real cute and funny gal goes the best of luck. Always remember our great English class and never forget the fun we had last year (remember Bulldog?). Be good this summer (like me), and take care.

In Dedication To
Mr. Ray S. Oberholtzer

Everyone likes to feel that his efforts are recognized. One man, among teachers, has repeatedly shown great enthusiasm for and devoted interest in each scholastic, athletic, and musical challenge we students strive to meet. For his time and interest as teacher and friend, we are sincerely grateful. To convey our gratitude in a concrete way, we, the Seniors of 1969, dedicate the EPILOGUE to Mr. Ray S. Oberholtzer.

Music

Education in music is most
sovereign, because more
than anything else
rhythm and harmony find
their way into the secret
places of the soul.
